Index

**Mental Disorders – Diagnosis**
- Organic, including symptomatic, mental disorders
- Mental behavioural disorders due to substance use
- Schizophrenia, Schizotypal, and delusional disorders
- Mood [affective] disorders
- Neurotic, stress related and somatoform disorders
- Behavioural syndromes associated with physiological disturbances and physical factors
- Disorders of adult personality and behaviour
- Intellectual disability
- Behavioural and emotional disorders with onset usually occurring in childhood and adolescence
- Unspecified mental disorder

**Offences**
- Homicide
- Sex Offence
- Violent Crime and Aggression

**Treatment (including assessment)**
- Physical Health
- Risk management
- Self harm and suicide
- Therapeutic modalities (psychodynamic, cognitive behavioural etc.)

**Services**
- Prisons
- Secure Units
- Women’s Services

**Health Policy / Management**
- Health Economics
- Mental Health Practice
- Recovery – Rehabilitation

**Ethics and Law**
Mental Disorders – Diagnosis

**Organic, including symptomatic, mental disorders**

Livingston, G., et al.
Non-pharmacological interventions for agitation in dementia: Systematic review of randomised controlled trials
British Journal of Psychiatry, 2014 205, 6, pp. 436-442
http://dx.doi.org/10.1192/bjp.bp.113.141119

**Mental behavioural disorders due to psychoactive substance use**

Trauma exposure and PTSD in women with schizophrenia and coexisting substance use disorders: Comparisons to women with severe depression and substance use disorders
Psychiatry Research, 2014 220, 3, pp. 840-845
